About ICFA :

ICFA is the apex food and agriculture chamber in India, working on business, policy and development agenda and serving as global platform for trade facilitation, partnerships, technology and business services for food and agro industries. The chamber is approved by the Ministry of Commerce, Government of India, and works closely on policy and trade issues with the Ministry of Agriculture, Ministry of Food Processing, APEDA and several national and international organisations. A proactive approach helps ICFA in discerning critical challenges along with creating opportunities for development, value addition and international trade to accelerate growth in food and agriculture sector globally.

With its 21 industry Working Groups and sector specific Business Councils, ICFA represents the interests of key stakeholders at the national level and through its international platforms and partnerships, ICFA facilitates India's global engagement in food and agriculture sector. The Chamber organises a series of events and conferences on diverse subjects, with its flagship event, AgroWorld, that brings the world of agriculture on one platform, since 2018.

For enhanced sustainability, food safety and quality standards, ICFA has taken up the Agriculture Stewardship Program by launching Healthy Food Initiative program and Good Agriculture Practices (GAP) project. In a short period of two years, the Chamber has signed up MoUs with the University of California, University of Maryland, Michigan State University, Iowa State University, Western Australia University, German Agribusiness Alliance, Borlaug Institute for South Asia, African Asian Rural Development Organization, WTC and IFPRI etc. and national bodies such as APEDA, NIAM, NAFED, NRDC, ICAR to name a few. Through international partnerships, ICFA envisions to mobilise technologies and investments that will catalyse growth of food and agro industries.
